Conditions of warranty:
1. The above warranty is guaranteed under normal use for two years from date of purchase. During the period, the user must read all the operation manual, laws of charge, and maintenance cards.
2. Defects caused by accident, lightning, misuse, transportation, normal wear, accident, or any alteration that affects the usability or performance of this regulator will not be covered by this warranty.
3. This warranty does not cover controller unit and the load in connection. We do not offer the warranty period as well as the cost of any on-site installation services and the transportation to us separately.
4. Any alteration of this regulator will be allowed.
5. Please keep your receipt and product with this warranty card for maintenance service.
